Join a junior youth group!
(For ages 12-15 years)

Junior youth groups are aimed at assisting the development of junior youth who are from non-English speaking backgrounds. Activities encourage better understanding of universal values to guide junior youth in their everyday actions, develop their talents, build their self confidence, give them life skills and prepare them to make the critical passage from childhood to adolescence.

In a junior youth group you can:

- Make friends with other junior youth!
- Do art work. Arts are fun! We will dance, play music, paint and much more! Arts can help us better understand ourselves and the world around us.
- Do community service. We can decide as a group what community service we would like to do. For example, we can help in making a better environment, or help people and animals in need.
- Learn about interesting and important things in life! We’ll read stories which have important messages. We will also have guest speakers at some sessions. Most importantly we can talk about and try to better understand ourselves and the world around us as a group.
- Play games! Games are fun and they can also improve our learning.
- Improve your English! You will learn better English while having a good time, helping others and learning more about life!

Groups run for 3hrs a week, for a period of 20 weeks, on a day and time suitable to the majority of the participants. If you would like to join a junior youth group this summer, or if you need more information, please contact Sahba on 9328 2699 or email sahba@mscwa.com.au

It is completely free to join!

An information evening will be held for everyone interested to know more about the junior youth program. Please RSVP by contacting Sahba.

Venue: 20 View Street North Perth 6006
Date: 3rd of January 2006
Time: 7.30 pm
